

additional fee required for the extension, and credit any overpayment, to Deposit Account 06-1205.

II. This is in response to the Office Action dated March 8, 2001, the period for reply having been extended by the above petition and payment of the extension fee. Please amend the application as follows and consider the following remarks with regard to the above-identified application.

In the Title of the Invention:

At page 1, lines 1-2, amend the title to read --SEMICONDUCTOR DEVICE AND SOLAR CELL MODULE HAVING DETACHABLE CONSTITUENT MEMBERS AND DEGRADABLE RESIN EXFOLIATIVE LAYER--.

In the Specification:

Please substitute the paragraphs at page 46, lines 2-8, with the following replacement paragraph. A marked-up copy, showing the changes made thereto, is attached.

BA --A solar cell module comprising a substrate, a filler, a photovoltaic element and a protective layer is disclosed. At least one of the substrate, the filler, the photovoltaic element and the protective layer is separable from other constituent members. Constituent members having been separated and still serviceable can be reused.--
